

15th October, 2019

Dear Parents/Caregivers

The purpose of this letter is to clarify this school's approach towards student organised social activities that your son or daughter may be considering attending.

Parents are asked to please note:

- PHHS does not organise nor endorse Year 10 or Year 12 formals.
- Such events or activities are not school organised events.
- No teachers will be in attendance at any such event.
- PHHS does not organise nor endorse any social activities or events that are not specifically advised on official school letterhead via the school's official communication channels.
- The school's name is not to be used or associated with any such event.

It should be clearly understood that the school has no input or responsibility whatsoever for the organisation, financial obligations, actions, safety or supervision of students when engaged in events or activities not specifically endorsed by the school.

Yours sincerely

B Hugo
Principal
