

1st February, 2021

Dear Parent/Caregiver,

CREATIVE & PERFORMING ARTS EXTRACURRICULAR ACTIVITIES

A warm welcome to all of our new and returning students to Port Hacking High School. After the major disruptions to our ensembles and events in 2020, we are optimistically looking forward to a strong program recommencing this year. For your reference, an outline of all of our proposed 2021 ensembles, complete with audition schedule, is detailed on the following page.

The registration and audition process is currently underway for our 2021 ensemble enrolments. Interested students are required to sign up on the various lists located outside the Creative and Performing Arts (CAPA) staffroom – unless stated otherwise. Students are encouraged to come and talk to the CAPA staff if they require further details or have any questions.

After the audition process is complete, further details regarding rehearsal schedules and ensemble fees will follow in a separate notification for each extracurricular activity.

The school also offers instrument hire, and facilitates vocal and instrumental tuition services provided by external tutors on the school site. Please see Mr Moore in the CAPA staffroom for further details regarding this.

Yours sincerely
