### MEDICAL AND ALLERGY INFORMATION

As your son/daughter is about to undertake various food practical lessons, it is necessary for us to obtain full information regarding medical conditions, food allergies and food restrictions. Every student undertaking these courses is required to complete and return the slip. It is important that full details are provided.

Where no medical issues, allergies or restrictions exist, please write the word "NONE" or "NIL" in the appropriate section(s). Students will not be able to participate in practical lessons until the classroom teacher has received the requested information.

Should there be any difficulty in providing this information, please do not hesitate to contact Ms Langley via the school email or 9524-8816 to discuss this matter. Please complete the slip below and return it to the relevant class teacher by Friday 10 February 2023.
