

20th February, 2020

Dear Parent/Caregiver,

Port Hacking High School uses a variety of digital resources to support teaching and learning:

- Education Perfect for students studying Mathematics, Science and Languages
- Mathletics for students in Year 7 – Year 10 Mathematics
- Oxford Digital for students in Year 11 and Year 12 Mathematics

These web-based learning platforms provide students with access to a range of curriculum resources. Students can work on concepts and skills at their own pace. Teachers can assign students tasks and receive feedback about the progress of individual students.

Your child will be issued access accounts that match their pattern of study. The cost has been included in their school fees, so no additional payment is required.

Education Perfect, Mathletics and Oxford Digital require Port Hacking High School to provide the following information to create an account for your child:

- your child's name
- school email address
- Year group
- class

Please see the websites below to read the relevant privacy policies.

Oxford Digital: <https://www.oxforddigital.com.au/privacy.html>

Please indicate your consent via the Parent Portal **by 26th February 2020**.

No student will be provided access to Education Perfect, Mathletics, Oxford Digital without signed consent from a parent/guardian.

Parents/caregivers who object to Education Perfect, Mathletics and/or Oxford Digital creating a web account for their children can indicate their objection below.

If you object or do not provide consent, your child will not be provided with an Education Perfect, Mathletics or Oxford Digital account. In such circumstances, students will be provided with alternative educational resources, however, the absence of access to these platforms may impact on their learning in the classroom.

Yours sincerely

B Hugo
Principal
