

29th January, 2020

Dear Parents/Caregivers

As advised in our communication dated 5th December 2019, Port Hacking High School is implementing a values-based student management system from 2020 and into the future.

This system will recognise our students' success through the demonstration of our Core Values of *Tenacity, Respect, Excellence, Empathy, Resilience, Personal Responsibility, Understanding and Acceptance, Kindness and Integrity.*

To further elaborate and answer any questions parents may have on this new student management system, an information night will be held in the school auditorium on Wednesday, 5th February, beginning at 6:00pm.

We and other members of the school Wellbeing Team look forward to meeting parents/caregivers on that night.

B Hugo
Principal

H Papangelis
Head Teacher (Wellbeing)
